#### A Message From The Executive Director

Welcome to the Playhouse!

On behalf of the Board and Staff of the Playhouse, I would like to extend a warm and heartfelt Thank You. We are humbled by the support you have shown during these past months. We remain committed to bringing you live quality theatrical entertainment.

There are so many ways to contribute to the Playhouse. Volunteering is a great way to be a part. Ushering, helping backstage, costumes, props, and all kinds of other things. Not only does that help us further our mission, but you will be a part of something special with each new show. No special skills needed at all... I promise. Just a kind attitude.

As a registered 501C3 non-profit, all donations are tax deductible to the fullest extent allowed by law. Your contributions go towards so many things including:

- Costumes, microphones, and lumber to build the sets and many more.

- Teaching instructors for kids and adults acting classes, hip hop, musical theatre classes

- Our outreach program in which we go into the schools and introduce kids to theatre arts.

- Royalties for musicals, plays and independent films

There are so many ways to make a difference. The fact that you are sitting in your seat right now is helping us further our mission to provide entertainment, education and opportunities for artistic expression through volunteerism, community involvement and support.

We appreciate your patronage. We value you support.

Kind regards and enjoy the show!

#### A Message From The Artistic Director

Thank you all for attending and for your support of the Playhouse.

The Wizard of Oz has always been close to my heart. Back before the days of streaming services, YouTube and the like, The Wizard of Oz was only broadcasted once a year on one of three major television networks. I can vividly remember being a child sitting on the living room floor with my five siblings hovering over a bowl of popcorn in front

of our old Zenith console television filled with awe and wonder. My first live theater experience was on a class trip to a local theater in Philadelphia to see a production of *The Wizard of Oz* that further deepened my love for this wonderful story and planted an early seed that would one day turn into my career... All of these years later, I feel so fortunate to have the opportunity to present our version of *The Wizard of Oz* with all of you.

Kudos to Director - Cathy Randazzo-Olsen, Choreographer - Lara Williams, Music Director - Roger Blankenship, Costume Designer -Jill Williams, Make-up Designer - Maya Suchy, and Stage Manager - Monica Lester for their fantastic work on this production. Also, a big thank you to our entire cast and crew who have worked so tirelessly to make this show a reality.

Our 2022-23 mainstage season is filled with a wide variety of exciting shows for the entire community. You can view our lineup for next season inside of this playbill. Subscriptions are now available for our season shows and purchasing a full or partial subscription is a great way to support the Playhouse.

Thank you for your patronage and support. I hope to see everyone again in April as we present a very special limited engagement of William Shakespeare's *Much Ado About Nothing* on our Mainstage.

I wish you all health, love, and happiness!

Enjoy the show!

## Welcome to the Lake Worth Playhouse!

Dear Valued Patron:

The Board of Directors, staff, and dedicated volunteers of the Lake Worth Playhouse would like to express how excited we are to present to you our 69th season of live theatre!

We, at the Playhouse, strive to remain the best community theatre in all of South Florida. In order to maintain our commitment to excellence, we are always striving to improve the quality of our productions for your enjoyment and have made a personal commitment to the raising of funds to upgrade our sound and lighting equipment.

The Playhouse now asks for your support to help us accomplish this goal.

We have created the "Playhouse's 120 Challenge" to encourage 120 patrons to pledge \$120 each. If you are like us, you cannot always write a check or may not have an extra \$120 to give away, so we have set up a sustainer account. If you pledge \$120 we will only bill you \$10 a month on your credit card for the next 12 months. That is the equivalent to a few cups of specialty coffee or maybe a take-out lunch!

Many patrons have already joined the challenge. Please consider joining them in supporting excellence in the arts by also becoming a "Playhouse's 120 Challenge" member.

Fill out the form below and turn it into the Box Office.
